AmiWest 2019, the Amiga show on the U.S. West Coast, starts next month! Preparations continue to be made and details hammered out as the date draws closer.

You want to be here to interact with those who participate! We've been told in past years that it is the highlight of the yearly calendar for more than one participant. Be sure to have a look again at all the details here.

AmiWest is the people! What we do is provide a meeting place for the very creative community that is Amiga! Come be a part and experience the atmosphere for yourself.

So remember: AmiWest 2019 and associated events will be October 23-27, 2019 at the Holiday Inn Express, 2224 Auburn Blvd., Sacramento, CA. Make your plans to attend now. If you've attended before, bring one other person who is new to the show. If this will be your first time, welcome to the show! See our website at [amiwest.net](http://amiwest.net) for the latest information and watch this blog for breaking news about the show. See you in October!
