That probably require some rewriting of code, or at moment just return -1. See here for more info:

[http://forum.hyperion-entertainment.b ... hp?f=26&t=3418&hilit=mmap](http://forum.hyperion-entertainment.b...hp?f=26&t=3418&hilit=mmap)

Will be cool to have some mmap.c which we just can include in all the stuff later, same cool as fork.c :)
