Dear OS4Depot Staff

I am the author of

`simplesmbfsgui.lha` net/ser/rem 0.9 42kb 18 Jan 2019 4.1 9 ꞑ Sinan Gürkan - Simple SMBFS GUI - A simple Reaction GUI for smbfs

As you can see from above my name is added to readme description. Is it possible to correct this information.

And also it seems like OS4 Depot does not support other ISO-8859 characters. My name is not displayed correctly.

Is it possible to replace "ü" with "u" here ?

Thanks.

Sinan Gurkan
