30\$ from me, thanks for working on. Both amigans.net and os4depot.net probably the one and big motivators today. If they will gone, probably everything and everyone will gone :)

ps. btw, as related to os4depot : every added video or shapshot, have as poster some html symbols left. I.e. if you will go to any archive which containt video or screenshot, and checking them, then in "poster" fiedl you always have : "poster_name ";
i.e. those 2 " " things at end
