I get a Grim Reaper in 1920x1080 : [https://amiga-ng.org/resources/CrashLo ... n 2019-10-04 17-24-55.txt](https://amiga-ng.org/resources/CrashLog_2019-10-04_17-24-55.txt)

Edit : Well I get this grim reaper when I start the game in the Cry Statsis Lab) also in 800x600.

So not working for me 😞
