Yepp...Heretic2 worked ok with pre4...

And I have reinstalled the game 2 times after final...

I'm missing something here, but I can't find what!

I've checked all my libs and settings but can't find what i've done wrong...

And yepp...checked with snoopdos to...

It's not a big issue for me, but it would be nice to just try the game again... :)

Actually...I've played through the game 4-5 times, on a Pc... :)
