The new USB functionality works great on my sam440ep 😊

Following devices works fine:

- Nokia N97 (mobile phone)
- TrekStor i.Beat motion (mp3-player)
- Trekstor MovieStation (multimedia harddisk)
- Sony Alpha 200 (DSLR camera)
- Sony 2 GB USB-Stick *
- Hama USB 2.0 Card Reader 35 in 1 *
- Hewlett Packard 1100 PhotoSmart (printer) *

Alle named devices except the with * marked doesn't worked before the update 1. Now I can use it all! Great work Hyperion!!!
