Itix done with 68k stubs for patching (which need to be a bit rewritten for os4 when main binary will be native as well), and i hope today upload some test archive with new libs.

@Deniil

You are developer, feel free to join and add any kind of features you miss :)

quit search with esc never has worked, exit it by either hitting return or clicking anywhere outside the gadget.

As you seems only one who know dopus5 a lot, then maybe you can collect in some text file all the requesters, so when we will have native versions, that all can be go for todo.
