Updated SMTube HowTo post

http://www.amigans.net/modules/xforum ... t_id=94635#forumpost94635

If a video doesn't play you can try to force SMTube to update his YouTube script.

-delete Qt:home/.config/smtube/yt.js

-retry to watch the failing video.

-an updated SMTube YouTube code is downloaded.

-retry and enjoy !
