

Amiga Future: New Full Versions Online **Software News**

Posted by: AndreasM

Posted on : 2012/3/6 19:42:52

The download area of the Amiga Future homepage has been updated again.

There are new full versions online.

example SamplitudeOpus, Sixth Sense Investigations, Quasar Wars and other.

We want to extend the full version area of the Amiga Future webpages

This will cost us additional expense. That's why we are asking you for your financial support.
