Yes I was aware of the JS-endian issues... but I see that we are on 1.23, while 1.24 was released for MorphOS:

[https://morph.zone/modules/news/article\\_storyid\\_2131.html](https://morph.zone/modules/news/article_storyid_2131.html)

(And discussion on the previous page of this thread mentioned 1.24...)
