OK.... speeding up Oddity??

There's one little hack that's been helping me. I just started a new topic on it here:

[http://www.amigans.net/modules/xforum ... m=40&topic\\_id=7731&order=](http://www.amigans.net/modules/xforum ... m=40&topic_id=7731&order=)

Granted, quitting Oddity after every use is also HIGHLY recommended. It simply isn't good enough to leave running in the background.

Good luck,

PJS
