Ok, got them, The original RCTW had a patch to download :(

Stears seems easier, but when you have the original CD-version, you have to download 2 patches:

[http://wolfenstein4ever.de/index.php/ ... -rtcw-patch-win-1-33-full](http://wolfenstein4ever.de/index.php/...-rtcw-patch-win-1-33-full)

+

[http://wolfenstein4ever.de/index.php/ ... 409-knightmare-rtcw-patch](http://wolfenstein4ever.de/index.php/...409-knightmare-rtcw-patch)

Then the game is running :)
