Link works 100%, tested right now. Just in case: its ftp access , not http. And browser may say that link is infected, skip it.

But for my side, i can't load your link :) But files of PCPBench looks like this:

01/20/2020 11:07 AM	22,169 ANTWORT.TXT
01/20/2020 11:07 AM	54 CHKLIST.MS
