Want to participate in the AmigaOS 4 Gaming Leaderboards and Highscore Challenges?

If yes, this is the place to post your scores for inclusion in the tables. Screenshot/photo is preferred, but at this early stage I guess it is ok to just write down the score.

Rules are simple; You must play the AmigaOS 4 version of the game. No cheats or trainers, please.

I will try updating the highscores a couple of times a week or more.

Thanks in advance for participating! Let the games begin! :D
