Re Amistore Payment :

No problem with the Option to Send email with paypal link for me .

=====

Dear Customer,

Thank you for your AMIStore order, please use the following secure web link to complete payment:

<https://www.amisphere.com/checkout.php ... xxxxxx¤cy=USD&vat=0>

The link will be valid as long as AMIStore App Store is running on your system. You can pay with this link by using any secure web browser.

Once payment is completed, the funds will take a few moments to be updated on your account. In Checkout mode, AMIStore periodically checks your account balance and then uses the funds to complete the order.
