I also enabled the download of Toolbar Gadget for Enhancer Software v1.x users - so even if you own the Plus, Standard, Special or Core versions the gadget will download for you on Updater.

That's cool! I wonder why some happily keep repeating the nonsense that A-EON is "milking" their customers when so much stuff you've paid for has been provided for free.

every v1.x customer can download the gadgets found in Core without needing to register for Core.

Even better.
