@kas1e

Stay tuned for the first beta 😊 And... I'm glad somebody actually uses Exchanger!

I am regularly using such apps, in conjunction with AudioEvolution.

Which are the ones you use, out of curiosity? I still like SoundFX, although it's showing its age, and can be a bit difficult to grasp because of its scope.

I see a record button. Will it have the ability to record audio from a Mic Input?

It will record from anything AHI presents as an audio input.
