nice read thanks for posting and kudos for helping make a new demo with your original demo group (how cool is that!)for our classic miggies as I've always loved watching demos on all my classic miggies and hopefully would love go see some nice demo's for NG miggies too

We would like to make a new demo this year, let's hope we can make the wheels turning again 😊 As for an NG demo, I'm afraid my group mates haven't really warmed up for the NG idea, so this is not very likely 😞

@khayoz

Thanks, glad you've enjoyed it.
