@geennaam

WRONG:

FE Upd 1 -> enhancer 1.5 -> update 2 -> hotfix -> Enhancer 2.0

WELL:

FE Upd 1 -> update 2 -> Enhancer 2.0

PS.

UPDATE2:

The original update 2 package has also been updated with the components in the hot fix and is now available in a new version (version number 53.14)

HOTFIX:

The hotfix should only be applied on top of the original update 2 package released on December 23,2020!
