CSNode - file transfer over socket made as simple as possible

Author: : alfkil

Date: : 2021/8/3 21:00:56

URL:

This was the simplest client/server node I could come up with:

[CSNode on github.com](#)

Feel free to rave in antimony or otherwise celebrate. I apologize in advance.

I love this place. Should you in any way be doubtful about it.
