GuideML 3.14 released

Author: : Chris

Date: : 2008/5/11 0:55:55

URL:

v3.14 fixes the single file HTML mode, if you use this MAKE SURE YOU UPGRADE!

It also has a couple of other minor fixes/changes.

I'll probably leave it alone now for a year or so until another requirement comes along, as tradition dictates.

Chris
