You will receive a re-subscribe form (if you live in Europe, Australia or Asia) with your last issue of your current subscription as they are sent direct from us. I believe Greg (for US and Canada subscriptions) has a list of subscriptions and will also know when it's your last issue and assume he will inform them!

Failing that just e-mail the editor Robert Williams (Rhino) at [editor@totalamiga.org](mailto:editor@totalamiga.org) and he will let you know.
