This is a great idea

I think we should put this as a side feature if you are willing to run it.

either via a seperate heading on the left or via its own forum.

Well done!

Yup, wonderful idea.

And maybe collect it into a FAQ list, Q and A stuff? Should be handy, better than going throuyght the thread for final solutions/workaround...

And even call it "AOS4 Knowldgebase" or smthng?
