No news I'm afraid.

I have contacted Paypal 10 times by email without ever getting a reply.

EDIT: 11 times just now...

I also contacted them by phone 3 times now only to get answered by a young lady who said she would send my account in for review and that there was nothing more they could do. Then nothing happens.

Unfortunately there doesn't seem to be any alternatives as moneybookers doesn't accept donations but only fixed prices for specific services or goods.
