That bad ..

Btw, maybe you can try to say to that yang lady : "please, give the phone for someone who can resolve my problem". Usually all that yang ladies only sit over phone to say "fuck off" in good words. Imho 11 messages and 3 calls are enough to be sick, and say some hard words for them (maybe then they will fix it).

Also as meantime fix, maybe we can setup another paypal account like the current one ? (if there is no problems to get money from, only locked on recieving) ?
