@oolite

One day I should start thread about it on the new dev site, unless no-one else does it in the meanwhile.
If I one day manage to try some game porting, oolite would be my big challenge.
(I still think Elite 1 (oolite is not too far off) is the best game in the world so far. 😊)

[Thread at AW.](#)

And I was not aware of the Pioneer game project. Also that is interesting.
