to trying your next OS4 release

No my, but our: itix, xenic and me (me in end of list when it come to real and hardcore programming. alone i stuck long time ago). Add to that Thore who help me in mails, Salas00 who help with varargs and some others who help with problems.

@all

Mason do all the new icons/toolbar images for dopus5 ! will show some screenshot today once will put everything in right places.
