So also in this case you are more or less "forced" to still using an old lib to avoid linking problems ?
I mean LibPNG 1.2.50 is an old release right ?

While if i understand correctly we have an updated 1.6.8 release from MickJT that is the newest one

[http://os4depot.net/?function=showfil ... brary/graphics/libpng.lha](http://os4depot.net/?function=showfil...brary/graphics/libpng.lha)

Aniway, your daily progress is awesome 😊
