Does that include "<http://http://>" at the bottom of the About window?

Nope, even didn't see it before, will fix too.

@rikky

Quote:

Compare to 1.16.. no it was broken in that too.

Probably, then it intendent. As for port name, will check, seems somehow forget to change it somewhere.

@ddni

Quote:

Very trivial, but odyssey home page still says version 1.16
Easily fixed by editing about.html
