Just got the following email.

Hello Amiga User!

We have just released our newest game "Swamp Defense 2"!

The sequel includes more enemies, more towers (cartoon heroes), more weapons, more levels and an integrated shop system for an individual game experience .

More information:

<http://www.amiboing.de/gameDetail.php?id=20>

A CD Version is currently available at following Amiga dealers:

Alinea Computer: www.alinea-computer.de

Amigakit: www.amigakit.com

Amedia Computer: www.amedia-computer.de

AMIGAstore, ASB Computer: www.amigastore.eu

It is a professional built CD in a DVD case with nice CD cover and booklet. (image:

<http://www.amiboing.de/zeugs/swamp2cd.jpg>)

The download version is available on AmiStore and amiboing.de!

You also can download a demo version on the game detail page, please test the demo before purchasing the game!

Thanks for your support!

Your Amiboing Team
